

September 2023

Dear Customers,

SUGIYAMA ELECTRIC SYSTEM INC.  
Masaaki Sugiyama (Managing Director)

### Information of end of life for PS-524

We would like to express our sincere gratitude for your continued support.

We regret to inform you that we have decided to discontinue production of our transfer detector PS-524. The successor model is PS-581. PS-581 is an excellent product in all respects, including improved operability with its liquid crystal panel and Ethernet compatibility. In addition, regarding repairs of PS-524, we will correspond within the range of stock parts.

We apologize for any inconvenience this may cause our customers, and we appreciate your understanding.

Sincerely yours
