**Dear Customers,**

SUGIYAMA ELECTRIC SYSTEM INC.  
Masaaki Sugiyama (Managing Director)

**Information of end of life for PS-333**

We would like to express our sincere gratitude for your continued support.

We regret to inform you that we have decided to discontinue production of our Cycle Step Counter PS-333. The successor to the PS-333 is the PS-381. PS-381 is an excellent product compare to PS-333 in all respects, including improved operability with its liquid crystal panel and Ethernet compatibility. In addition, regarding repairs of PS-333, we will correspond within the range of stock parts. We apologize for any inconvenience this may cause our customers, and we appreciate your understanding.

Sincerely yours
