**Price revision information for Digital Cam PS731 and PS711**

Dear Sir,

We would like to express our sincere gratitude for your continued support.

Now, the manufacturing cost is rising due to the recent drastic increase in the price of parts mainly for semiconductors and metal materials worldwide, and it is difficult for us to absorb this increase by ourselves. We are awfully sorry but we will revise the prices of some products.

We kindly ask for your understanding of current circumstances and look forward to your continued patronage of our products.

Sincerely yours
